Suggestions for Giving

The Lutheran Village at MILLER'S GRANT invites you to remember **your hero** with a gift of **\$25** for each individual you honor.

- 🕯 Give in honor of **staff members** to whom you want to say a special thanks.
- 🕯 Give to honor **fellow residents** who volunteer their time in special ways (committee members, neighbors, etc.)
- 🕯 Give to honor **coworkers** or to say thanks for a job well done.
- 🕯 Give in honor of that **friend** of **family** member who "has everything" and would appreciate such a recognition.

Winter Lights 2019

Winter Lights **time of giving** is an opportunity for you to say thank you to those special individuals in your life.

- 1) Your tribute will be designated to the Employee Education Fund, which awards scholarships to dedicated employees who want to further their education to better serve you!
- 2) The person in whose name you give the gift will be placed in the *Book of Tributes* that will be on display during the holiday season.
- 3) A holiday acknowledgement of your tribute will be sent to those you recognize.

🕯 **gift of thanks**

**To your LVMG HERO
in honor of excellence**

How to Participate

We invite you to **complete the information on the back** of this brochure and return to:

- the Philanthropy Office,
- the Philanthropy mail slot, or
- the Philanthropy drop box

Recognizing your LVMG hero is most meaningful when he/she receives that personal acknowledgment and stops for a moment to think about how special they are.
