

**Coronavirus (COVID-19)
Healthcare/Assisted Living Resident Update**

April 21, 2020

From the Executive Director

Dear Residents,

Mr. Fred Rogers said, “Look for the helpers” during times of crisis. We didn’t have to look far. Our team members, the community, and YOU have supported our efforts and cooperated with protocols and restrictions we initiated to keep our community safe.

Our no visitation policy is far from convenient, but we believe when we make personal decisions that are in the best interest of everyone our community has a better chance of remaining coronavirus-free.

We have zero cases of coronavirus in our community. We remain vigilant in our preventive measures and protocols. When we have a confirmed case, we are prepared to immediately take action to contain and prevent the virus from spreading. We have adequate personal protective equipment (PPE) for team members. We will inform you and your family members should a case be confirmed.
