

COVID-19 UPDATE

Assisted Living & Health Care – Families

June 9, 2020

**From the Executive Director
Michelle Rosenheim**

Dear Families,

This past Friday the State of Maryland moved into Phase 2 of the reopening plan. CCRCs and other senior living organizations like Miller's Grant are not included in this phase for several reasons; our population remains among the most vulnerable and at-risk.

We continue to follow local and state health agencies' directives and make decisions about easing restrictions based on what is best for the entire community.

130 Zoom Video Calls and Facetime Call for 32 residents!

Residents are becoming pretty tech-savvy. In the past month, we've coordinated 130 video calls for 32 residents. Please contact us to arrange for a video chat or phone calls with your family member. Contact Alicia Hartnett, LNHA, at ahartnett@millersgrant.org or 410-696-6782

Please Join Us! *Prayer Service of Hope & Healing*

Sunday, June 14 - 2:30 p.m.

Chaplain Stacey Brady and Chaplain Eileen Kelley-Warner (CLV) will lead the service. And President/ CEO, Jeff Branch, will deliver a message.

This quiet service will be filled with candle lighting, litany and prayers to heal from the effects of COVID-19 as well as prayers of healing for racial injustice. Residents will be given battery-operated candles and bulletins in their apartment homes to enable participation. Come, Holy Spirit and renew us with your healing presence!

Please contact **Stacey Brady** for more information and to obtain a Zoom video link: sbrady@lsmmd.org.

COVID-19 Update

- 6 team members have tested positive for COVID-19.
 - 4 who were asymptomatic and have been cleared to returned to work.
 - 2 who were symptomatic have recovered and have been cleared to return to work.
- 1 individual in the Health Care Center tested positive and is receiving medical treatment.
- 2 individuals in residential living have tested positive and are receiving medical treatment.

Reminder: Residents not feeling well or experiencing any of the following symptoms, including vomiting, diarrhea, chills, muscle pain, headache, sore throat, new loss of taste or smell, fever, cough or shortness of breath, please contact your nurse.

Thanking our Neighborhood Helpers

We see the heroes working at Miller's Grant and we're grateful for all they do to protect our community and maintain some sense of normalcy. What you may not see is the generosity and support of our Howard County neighbors, friends, family members and businesses. CEO Jeff Branch shared a note of appreciation for these neighborhood helpers and we highlighted them in this video, <https://youtu.be/bGYAGNCScvQ>, to say thank you.

Please contact me at 410-696-6711 or LVMGCares@millersgrant.org with your questions. You can also call the LVMG Cares Hotline at 410- 696-6770.

Take care and be well.

Michelle Rosenheim
