

## COVID-19 UPDATE

Assisted Living & Health Care – Residents

June 9, 2020

**From the Executive Director  
Michelle Rosenheim**

---

Dear Residents,

This past Friday the State of Maryland moved into Phase 2 of the reopening plan. CCRCs and other senior living organizations like Miller's Grant are not included in this phase for several reasons; our population remains among the most vulnerable and at-risk.

We continue to follow local and state health agencies' directives and make decisions about easing restrictions based on what is best for the entire community.

## Thanking our Neighborhood Helpers

We see the heroes working at Miller's Grant and we're grateful for all they do to protect our community and maintain some sense of normalcy. What you may not see is the generosity and support of our Howard County neighbors, friends, family members and businesses. CEO Jeff Branch shared a note of appreciation for these neighborhood helpers and we highlighted them in this video, <https://youtu.be/bGYAGNCScvQ>, to say thank you.

## **Please Join Us! *Prayer Service of Hope & Healing***
