Family Update - Assisted Living & Health Care
Tuesday, June 30, 2020

From the Executive Director

This is the day that the Lord
has made; let us rejoice
and be glad in it.

PSALM 118:24

Dear Families,

We have no new cases of COVID-19 to report at our community. We continue to practice an abundance of caution to keep residents safe and will follow direction from local and state health agencies on when and how to ease restrictions in Assisted Living and the Health Care Center. We are grateful for everyone's support and patience. Thank you!

Move-Ins/Move-Outs Continue

During these summer months, we experience more people moving in and moving out of the community. Our essential visitor only policy remains in effect; however, we are allowing families and movers to access the building during the move-in/move-out process. These visitors must follow the following guidelines:

- No more than two people in the unit at a time
- Movers must use the closest entrance/exit to the unit.
- All family members/movers must be screened at the front entrance prior to coming into the building.
- Everyone is required to wear a mask and practice social distancing while in the building.
- The move is to take place in one day's time and family members are not allowed to leave and come back.

COVID-19 Update

It is with a heavy heart that we share one of our community members who had been battling COVID-19 at a local hospital has passed away. Please keep this individual, their family and friends in your prayers. Currently:

- There are *no new cases* to report at Miller's Grant.
- 6 Staff Positive Cases: All have recovered and returned to work
- 4 Resident Positive Cases: 2 have recovered and 2 have passed away

Reminder:

Residents not feeling well or experiencing any of the following symptoms, including vomiting, diarrhea, chills, muscle pain, headache, sore throat, new loss of taste or smell, fever, cough or shortness of breath should contact their nurse.

Connect with Zoom and Window Visits!

We continue to coordinate video calls and schedule window visits for residents and family members. Contact Tammy Hay, thay@millersgrant.org

Thank you for continued support and cooperation. Please contact me at 410-696-6711 or LVMGCares@millersgrant.org with any questions or call the LVMG Cares Hotline at 410- 696-6770.

Take care and be well.
