Coronavirus (COVID-19) and Executive Director Update

Resident, Family and Team Update

October 24th, 2022

From the Executive Director

Power Outage Last Week

The project on Thursday, October 20 was a success. The necessary electrical tie-in was able to occur. We were fortunate that only minimal power disruptions were needed. Additional information will be shared at future Executive Director Updates. We do not anticipate any additional outages related to this project.

The project required extensive planning, and we are appreciative of everyone's hard work, patience and cooperation to make this a success.

Miller's Grant Mission Miles Fundraising Walk

Sunday, Oct. 30 | 1-3p.m.

Free | [Registration Required](#)

Enjoy the fall foliage with family and friends while walking our two-mile course that includes the grounds of LVMG, Howard County Library System – Miller Branch and the Ellicott City 50+ Center. The day's fun activities include:

- Face painting
- Games
- Halloween treats
- And more!

The annual walk is our signature event that generates financial upkeep for LVMG's Ministry of Caring Endowment in support of resident benevolence from the [sponsorships](#) and donations provided.

Thank you to all those who support this event.
