FROM: Nicole Scherr, Director of Healthcare Services
DATE: Friday, Feb. 3rd
SUBJECT: Assisted Living and Health Care Center February Update

COVID Update
I am happy to announce there have been no new team member or resident COVID cases in assisted living or healthcare. The county has officially closed our COVID outbreak.

The following are our community's case counts.

Active Cases:
Independent Living: 5
Health Care: 0
Assisted Living: 0
Team Members: 0

Masks are no longer required while visiting on healthcare or assisted living but are still highly encouraged. Please visit How to Protect Yourself and Others | CDC to find more information on ways to prevent the spread of COVID-19. We remain in cold and flu season, and we ask if you're not feeling well to please refrain from visiting.

Appointments
Family members and residents should provide the nursing team advance notice of any appointments, so they have ample time to gather all necessary information, have the resident ready and arrange transportation, if needed. Appointment notification should

be directed to Nikki Killo at ekillo@millersgrant.org or 410-696-6790.
