Coronavirus (COVID-19) and Executive Director Update

Resident, Family and Team Update

January 31st, 2024

From the Executive Director

Dear Independent Living Residents, Family and Team Members,

Since last week, there have been five positive COVID-19 cases reported from four households.

Active Cases:

Independent Living: 5 from four households

Health Care: 0

Assisted Living: 0

Team Members: 1

Residents who experience influenza or COVID-19-like symptoms should contact LVMG Cares by phone or email. Residents will receive a call the next business day. Residents should also:

- Isolate in their home and avoid dining and being around others.
- Refer to the COVID-19 Exposure Guidelines and Isolation Guideines in Touch Town under the Medical Suite Services module. Copies of these guidelines are also available at the front desk.
- Take a COVID-19 test at home or from a testing facility. I recommend stocking a couple of tests at home for convenience. Testing kits are available through Tia Pate, clinical care coordinator, or Concierge.
- Contact their primary care physician about their symptoms and COVID-19 test results.
- Visit an urgent care facility, if needed.

Review the following resources from the Centers for Disease Control and Prevention:

- [Symptoms of COVID-19](#)
- [What to do If You Were Exposed to COVID-19](#)
- [If You Are Sick or Caring for Someone](#)

Contact **LVMGCares@millersgrant.org** or the LVMG Cares Hotline at 410-696-6770 with your questions.

Take care and be well,
Michelle Rosenheim
Executive Director
