

Director of Health Care Services Update

TO: All Residents, Responsible Parties of Assisted Living and Health Care Center Residents, and Team Members
FROM: Nicole Scherr, Director of Healthcare Services
DATE: Thursday, March 14th
SUBJECT: Assisted Living and Health Care Center COVID-19 Update

COVID-19

I am pleased to announce there have not been any new COVID-19 cases since my last update. For our outbreak status to close in assisted living and the Health Care Center, we must have two consecutive weeks of no new cases. Weekly updates will be provided on new COVID-19 cases and our outbreak status.

Visitors who are not feeling well should refrain from visiting until they are feeling better. View the Centers of Disease Control and Prevention's [Respiratory Disease Season Outlook](#) for more information.

Director of Nursing

On Monday, March 18, Yetunde Johnson will join us as interim director of nursing. She has over thirty years of nursing experience, twenty-five of which were working in long-term care. She has both director of nursing and regional nursing experience. Join me in welcoming Yetunde!

Yetunde's contact information will be yjohnson@millersgrant.org and 410-696-6781. Her email and phone number will not be active until she starts.

We continue to actively recruit for a permanent director of nursing and will provide an update when we have hired a permanent candidate.

Residents will continue receiving excellent care and services. Lutheran Social Ministries of Maryland has strong systems in place to support its communities for success.
