

Director of Health Care Services Update

TO: All Residents, Responsible Parties of Assisted Living and Health Care Center Residents and Team Members
FROM: Nicole Scherr, Director of Healthcare Services
DATE: Tuesday, March 26
SUBJECT: Assisted Living and Health Care Center COVID-19 Update

COVID-19

I am pleased to announce the outbreak on assisted living and the Health Care Center has officially closed.

Flu season does not officially end until Sunday, March 31, so we are continuing to ask visitors who are not feeling well to refrain from visiting until they are feeling better. View the Centers of Disease Control and Prevention's [Respiratory Disease Season Outlook](#) for more information.

COVID-19 Booster

With the CDC recommending adults 65 or older receive an additional updated 2023- 2024 COVID-19 vaccine dose, we have scheduled a **booster clinic on Friday, April 5** with Giant, which will have Pfizer and Moderna boosters available. We will be contacting residents and power of attorneys for consent for those interested in receiving the booster.

For more information, refer to the CDC's Older Adults Now Able to Receive Additional Dose of Updated COVID-19 Vaccine or contact Yetunde Johnson at 410-696-6781 or yjohnson@millersgrant.org.

Other questions can be directed to me at nscherr@millersgrant.org or 410-696-6782.
